

Special GDBA Board Meeting Minutes

Monday, March 2, 12-2:30 p.m.

PawPaw's

Attendees: Kim Everett, Kim Pajot, Samantha Clark, Robert Smith

This special meeting was originally planned for February 24, 2015, to discuss items in the Ash+Lime final report that contains information regarding definition of the GDBA's mission, goals and purpose. The meeting was postponed until March 2, 2015, because of inclement weather.

Attendees began the process of going line by line through the report and discussing each item.

The original plan was to define mission, goals and purpose at this meeting, then take that information to the general membership for a vote at the March 24 meeting. If approved by the general membership, that information would be used in the GDBA member packets and to create a GDBA brochure.

Samantha Clark said that she had an employee who would visit the current and potential members when the packets were ready.

Attendees realized after more than two hours of discussion, that more time would be needed to define mission and goals and voted to wait until the June general membership meeting to present the proposed new mission and goals for a vote.

Samantha also said that she had access to a list that could be defined to include all downtown businesses. She will bring that list to the next meeting.
